

March 17, 2008

Dear DC Football Alum,

The Defiance College football staff is hosting its annual Football Golf Outing. As you know, the purpose of this event is to provide an opportunity for you and your teammates to get back together, play some golf, and share some stories. Feel free to put your own foursome together, sign up as an individual, or make a donation.

The 2007 Golf Outing was our most successful outing in recent history. Because of both the social and the fundraising nature of this event, we have decided to host this years outing on **Saturday, May 3rd**. This date will allow us to involve nearly all of our outgoing seniors as it falls the day before commencement. Furthermore, with cooler temperatures we hope we have the same amount of fun with less sweat. While our primary motive is for you and your teammates to have a great time re-connecting, the financial needs of our program are evident and this outing is an important event in the life of our program.

In the past, your participation in the outing has allowed the football program to invest in VCRs, projectors, a video editing system, and other technology needs necessary to keep this program competitive. We have a strong need for a second laptop that allows for video editing. This year we are hoping to direct our profits towards achieving that goal.

We expect to compete for the Heartland Conference Championship on a consistent basis and have a program you can be proud to call your own. Your participation in this event and dedication to Defiance College Football allows us to continually upgrade how we coach, recruit, and develop our team which helps us to provide a class experience for our student-athletes.

Thank you for your continued support and we look forward to seeing you on May 3rd!

Yours in Winning Football,

Robert T. Taylor III
