# CRIME INVESTIGATION CAMP

June 23-26, 2016

DEFIANCE COLLEGE CAMPUS

Criminal Justice | Forensic Science  
Digital Forensic Science

## The **DETECTIVES** of **DEFIANCE**

A three-day Mock Crime Investigation Camp for **9-11 grades (entering grades 10-12 in Fall 2016)** presented by the Criminal Justice, Forensic Science, and Digital Forensic Science programs of Defiance College.

*The Detectives of Defiance: Got Clue?* camp will introduce students to crime scene investigations and forensics through an interactive and hands-on criminal mystery. Students will learn how to search for and collect physical evidence such as fingerprints, shoeprints, and DNA; collect and analyze digital evidence from computers and cell phones; photograph and document a crime scene; interview suspects; and pull it all together to solve the crime. This exciting experience will show the young detectives what really happens “behind the scenes” of popular television shows.

**Price:** \$200 (\$250 after April 1, \$300 after June 1), includes meals, snacks, supplies, and overnight lodging
