

# DEFIANCE COLLEGE

## Defy the ordinary

A Defiance education is an extraordinary education. With excellent academic programs and the tools to use the knowledge you gain, your college experience will be anything but ordinary. Led by outstanding faculty, students at Defiance discover and develop their academic and personal strengths. You'll learn by doing amazing, engaging things. Whether conducting water quality research in Belize, providing physical education instruction to a day care center, building a library in Guatemala, or helping senior citizens prepare their taxes, faculty provide opportunities for collaboration every step of the way.
