Mr. Cameron VanArsdalen
Principal
Ayersville Local Schools
28046 Watson Road
Defiance , Ohio 43512

Dear Mr. VanArsdalen:

I am interested in being considered for the high school mathematics teaching position listed recently on Defiance College Career Development job postings website. I will be graduating from Defiance College in May with a Bachelor of Science degree in Education and will be licensed to teach mathematics in grades 7-12.

As you will note in the enclosed resume, I am currently completing my teaching internship with the Defiance City Schools. In addition, I have had other work experience and been involved in various campus activities that have enabled me to further develop my teaching skills. The combination of these skills, my educational background, and my sincere interest in teaching will allow me to contribute to the ongoing success of Ayersville Local Schools.

I will contact your office in 10-14 days to confirm receipt of the enclosed materials, and would be pleased to provide any additional documentation you may require. In the meantime, I look forward to having the opportunity to further discuss my qualifications with you and hope to hear from you soon. Thank you for your consideration.

Sincerely,

Amy S. Davis
Enclosure
