

HONOR ROLL OF DONORS

DEFIANCE COLLEGE

The NEW Yellow Jacket
Marching Band says,
"Thank You Donors."

Recognizing those who have supported the College for the 12-month period from July 1, 2012 through June 30, 2013

As I write this, we at Defiance College have just finished celebrating Homecoming 2013. It truly was a wonderful weekend, with much enthusiasm among alumni, students, faculty, and staff. The weather was perfect; we welcomed home a large number of alumni; and our DC Yellow Jackets football team brought home the win against Manchester. It could not have been a better weekend.

Homecoming is a special time during which students and alumni come together to recognize the important role that DC plays in their lives, academically, professionally, and socially. I don't think it is too strong a statement to say that the entering student who first sets foot on campus is transformed into a much different person when he or she departs four years later, with diploma in hand and a clearer vision of the world and his/her role in it.

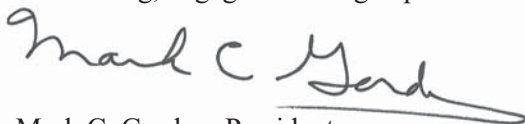

This marvelous transition that we see in our students during their time at Defiance College could not be possible without the unfailing support of our alumni and friends. Your commitment to our students, made in appreciation for what you received here or as a vote of confidence in the future of the college, helps assure that our students have the support needed to be able to take advantage of the many facets that combine to create a magnificent DC experience. From rigorous academic experiences in the classroom to hands-on learning in the real world; from entrepreneurial and service activities through our student-run non-profit (Project 701) to cultural, domestic and international travel, the elements of the distinctive DC model of undergraduate education continue to prove themselves everyday as our students study, learn, grow, and serve.

And all of our students have you to thank for helping them have this unique opportunity to transform their lives.

Whether you participate as a volunteer or a mentor at DC, or whether you support the college with an annual gift or as part of a multi-year pledge, your actions and support together affirm the value of your education and the education being provided at Defiance College today.

So, thank you – Defiance College is what it is today because of your generosity and ongoing support. Thank you for providing essential support for scholarships, faculty development, curriculum enhancement, and campus beautification; for creative programs and enrichment experiences and professional opportunities. And thank you for helping to create the environment in which our students can develop lifelong mentoring relationships with faculty as well as lifelong friendships with classmates. In short – thank you for making possible all the elements that combine to make the DC experience what it is today.

Your continuing participation ensures that even more students will be able to benefit from an outstanding, engaged learning experience. Again, thank you.

Mark C. Gordon, President
