### MESSAGE FROM THE PRESIDENT

The close of this historic year brings us to the midpoint in the Defiance College fiscal year. Having spent six months on campus in my second tenure with this outstanding liberal arts college, I can state unequivocally that your college is making wise and judicious use of the gifts you have invested with us.

Charles Warren

I thank you for your past support and I ask, especially in this year of unprecedented economic concerns, that you continue to stand by Defiance College, as the faithful and loyal friends and alumni that you are.

Charles O. Warren, Ph.D.  
Interim President

The following pages recognize the generosity of our alumni, friends, businesses and foundations in the previous fiscal year, July 1, 2007 to June 30, 2008, all of whom have placed a high priority on the education of our student colleagues. As you've seen throughout this magazine, your support has given us the resources to accomplish great things. From the Hench Autism Studies Program and the new nursing collaborative, to the exceptional research and study being conducted with the McMaster School, Defiance College is forming leaders for the future, who will leave here understanding where they fit into our rapidly changing world.

I am happy to report that the search for the 18th president is well underway, conducted with alumni and trustee leadership, faculty, staff and students, all working together to find the right candidate for this unique college. I have great faith in the process and the people involved in it, as I do in the institution.

I thank you for your past support and I ask, especially in
