Dear Graduate:

Bruce Heflin Photography will be taking pictures at your commencement. Each graduate is photographed receiving his or her diploma. Proofs of these pictures will be mailed to you within 7 days of the ceremony. You may also view and order your pictures online at www.mypicturesnow.com. Pictures will be online within 24 hours.

A photographer will also be taking cap and gown portraits prior to the beginning of the ceremony. A proof of this picture will be mailed to you with the one receiving your diploma. All pictures are available online.

After the ceremony, a photographer will be roaming around taking candid pictures of the graduates with their families and friends. These pictures will be online only.

Prices start as low as \$8.95. You can even purchase your image files for \$45.00 and be able to print your own prints. Finished prints are mailed within 14 days.

If you have any questions, please feel free to contact our office. Be sure to let your family know that if they forget their cameras, run out of film or memory, or their batteries go dead, someone is there to capture this special day.

Thank you:
