

# MAKING HISTORY

The first-ever Defiance College marching band made its debut at the opening home game of the Yellow Jacket football team. Sporting custom-designed purple and gold uniforms and new instruments, the band marched from Schaufler Hall on the main campus to Justin F. Coressel Stadium where they performed pregame, halftime and postgame shows. The band is under the direction of Bridget Leahy.

Musicians are currently being recruited to join the band next fall. A Yellow Jacket Band Experience was held at the DC-Bluffton football game to give interested students an opportunity to meet current band members and spend a day as part of the band. Majorettes, color guards, and drum major are being recruited as well as musicians. ♦
