

Campus Hazing Transparency Report

In accordance with the **Stop Campus Hazing Act (SCHA)**, Defiance College is required to publish a dedicated **Campus Hazing Transparency Report (CHTR)**. This report provides detailed, incident-specific information regarding hazing violations in which a **recognized or registered student organization (RSO)** has been found responsible following a College investigation.

When applicable, the Campus Hazing Transparency Report will include the following information:

- **Name of the recognized or registered student organization** involved
- **General description of the hazing violation**, including whether alcohol or other drugs were involved
- **Defiance College's findings** related to the incident
- **Sanctions imposed** on the student organization as a result of the violation
- **Key dates**, including:
 - Date the alleged incident occurred
 - Date the investigation was initiated
 - Date the investigation concluded with a finding of responsibility
 - Date the organization was notified of the finding

The first Campus Hazing Transparency Report for Defiance College will be published by **December 23, 2025**, and will include all applicable incidents occurring on or after **July 1, 2025**.

The Campus Hazing Transparency Report will be published **only when a recognized or registered student organization has been found responsible for a hazing violation**. If applicable, the report will be updated and published **twice annually** and maintained below to promote transparency, accountability, and campus safety.

No Reportable Incidents

For the applicable reporting period, **Defiance College has no reportable findings of hazing violations involving recognized or registered student organizations** that meet the reporting requirements of the Stop Campus Hazing Act.

This statement will be updated should a reportable hazing violation occur.
